Tahoe Partners

Project

Corporate brochure and branding

Objective

Introduce the client's value proposition and capabilities in a powerful, memorable format.

Solution

Reinforce the client's "Depth and Clarity" approach to IT solutions using powerful photography of Lake Tahoe, one of the deepest and clearest fresh-water lakes in the world.

TAHOE PARTNERS

depth clarity
Results through Experience

TAHOE PARTNERS Our name, Tahoe Partners, is derived from one of the deepest and clearest lakes in the world, Lake Tahoe. We bring that same depth of experience and clarity of vision to the solutions that we create for our clients.

We execute every project with focus on business value and process excellence.

Our solutions help clients plan and improve their IT effectiveness, enhance their enterprises, and integrate and extend their business systems.

Strategic Services

Through the intelligent application of proven technologies, we design and deliver solutions that decrease costs, fortify enterprises, create innovation and gain competitive advantage for our clients.

Enterprise Operations

Our enterprise solutions drive back-office and supply chain efficiency; our business intelligence solutions deliver strategic insight.

Integration & Extension

We enhance Real-Time Enterprises by integrating disparate processes and systems, archiving enterprise information to customers, suppliers, employees and business partners.

Our values are simple and direct:

- Demonstrate deep conviction
- Deliver pragmatic and proven
- Provide deep expertise and thought leadership
- Attract and retain top professional consulting talent
- Create an open and honest environment where each employee is valued
- Provide a vested stake in our success for all employees
